SCHOOL POLICY FOR STUDENT SATISFACTORY PROGRESS

There will be testing throughout the four (4) weeks of training. Satisfactory academic progress is defined as meeting acceptable standards as defined by predetermined objectives of the institution. These objectives are directly correlated with the performance standards set by the school.

Students are evaluated on a regular basis, on theory and practical driving skills. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Students must maintain a 70% or "C" average to maintain satisfactory academic status. The system detailed below is the grading system utilized in this school.

Students must have good coordination, show an aptitude for trucking and possess the ability to learn the various phases of truck driving. A student who is not making satisfactory progress will be placed on academic probation for the remainder of the progress evaluation period. The **School Director** will counsel the student placed on probation prior to the student returning to class. The date, action taken, and terms of probation will be clearly indicated in the student's permanent file. If the student does not achieve satisfactory progress by the end of the probationary period, the student's enrollment will be terminated.

GRADE SYSTEM

Students must maintain a grade average of at least 70%. The grading scale is shown below.

90%-100%	A	EXCELLENT
80%-89%	B	ABOVE AVERAGE
70%-79%	C	SATISFACTORY
60%-69%	D	UNSATISFACTORY
60%-BELOW	F	FAILING
INCOMPLETE	I	--
WITHDRAWAL	W	--

Program Report

Grade reports are issued to students and such reports are recorded in the permanent office record. This record is the basis for all future recommendations. Each instructor makes regular progress reports, including the attendance of each student in class. Students who are falling behind in the work are notified and advised to bring up their standing.

Anyone having trouble with a section or phase of the studies can address the issue with the *Instructor* who will determine what kind of remedial assistance would be needed. This is an accelerated course, so we encourage each student to fully prepare themselves the evening before for the next day's lessons otherwise they could find themselves in a difficult position re their studies. Again, the instructors are there to help you be successful, but it is up to you to be at-the-ready each day.

ATTENDANCE

Students are expected to attend all scheduled classes. To complete a successful training program, the ratio of absences or tardies must not exceed 25% of the program time. Attendance evaluation will occur on the first day of class each week. Students not meeting this requirement will be placed on attendance probation. In addition, a student who is absent three (3) consecutive days will be subject to dismissal or attendance probation. If a student is absent for 10 consecutive school days or more than 25% of scheduled course time, whichever is less, the student's enrollment in the course will be terminated.

A student whose enrollment was terminated for violation of the attendance policy may not re-enroll before the start of the next progress evaluation period. This provision does not circumvent the approved refund policy.

<p>Students are encouraged to schedule personal appointments after school hours and to notify the school in advance when an absence is going to occur.</p>

TARDINESS

Tardiness is a disruption of the learning process. Three (3) incidents of tardiness, or of leaving school early without a legitimate excuse, within 30 days, be considered as one absence. Tardiness exceeding three (3) days will result in the student being placed on attendance probation and shall be required to make up on Saturday.

LEAVE OF ABSENCE

The **School Director** may grant a leave of absence after determining that good cause is shown. A student may have no more than two (2) leaves of absence in a 12-month calendar period, and may be on leave of absence no more than thirty (30) calendar days during that 12-month calendar period. School attendance records will clearly define the dates of the student's leave of absence.

A written statement of the reason(s) leave of absence was granted, signed by both the student and the **School Director** indicating approval, will be placed in the student's permanent file. A student's enrollment in the program will be terminated if the student fails to return as scheduled from an approved leave of absence.

ABSENCE TO TERMINATION

Students will receive a warning letter after two (2) unexcused absences. Unless arrangements are made with the **School Director**, a student who has four (4) consecutive absences will be sent a drop letter from our program.
